

BIBLIOGRAPHY
WHO OWNS NATIVE CULTURE?
by Michael F. Brown
Harvard University Press, 2003

[Author's note: This list of references encompasses only books and articles in academic journals; citations to online resources and articles in newspapers and popular magazines are presented in the book but not here. Because the notes were significantly pared during the final stage of manuscript editing, the list may include a few background sources that were cut before the book went to press.]
