The Economics department is now accepting applications for summer Research Assistant positions. If you are interested in working with a faculty member on their research this summer, please send a cover letter, resume, and transcript to Helen.McShane@williams.edu by 5pm on February 7th. This will serve as a general application to all faculty in the department, but if you have informally discussed research opportunities with any particular professor that can be mentioned in the cover letter. Research opportunities are usually full-time, on-campus positions for 8 to 10 weeks, paid at a rate of $440 per week. Graduating seniors are typically ineligible. Occasionally there may be opportunities that do not fit this description.
