

Africana 220 Film Series:

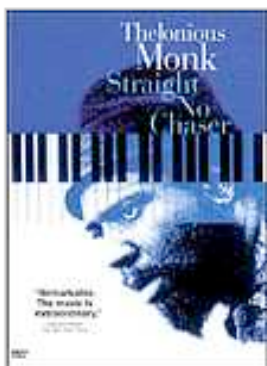

Rhythm & Jazz

BROOKS-ROGERS HALL

MONDAY, OCTOBER 2

9:30 PM

Featuring:

Madness and genius are often inexplicably intertwined, as was the case with brilliant jazz pianist Thelonious Monk, who spent his last years living as a virtual hermit. Straight, No Chaser's archival footage (shot in 1968 for German television) only hints at the madness to come. Interviews with Monk's family and collaborators round out this music-filled portrait of talent and torment.

Starring: Thelonious Monk, Tommy Flanagan ...
