Finding Images

1. Navigate to www.artstor.org and then click on the "Go" in the upper right corner of the page. This will launch the ARTstor Digital Library and take you directly to the Welcome Page.
2. Login using your email and password in the upper right corner.
3. To perform your search, enter a keyword term or terms in the Search field and click on the Go button.
4. Your search results will be returned on the Thumbnail page.
5. To scroll through the thumbnails, use the navigational arrows in the upper right corner of the screen. To rearrange thumbnails, you have three sort options: alphabetically according to Creator or Title, or chronologically according to Date.
6. To expand a thumbnail, double-click directly onto the desired image to open it in the Image Viewer window. Click on the caption below the thumbnail to view the full image data.
7. You may also further refine your search by using the Keyword Search box in the upper right corner. Enter another search term into the field provided and use the drop-down to the right to search "Within these results." Click on the "Go" button. A sub-set of the original search results will be displayed on the Thumbnail Page.
