

Cross Atlantic Representation Theory and Other topics ONline (CARTOON) conference May 29 - May 31

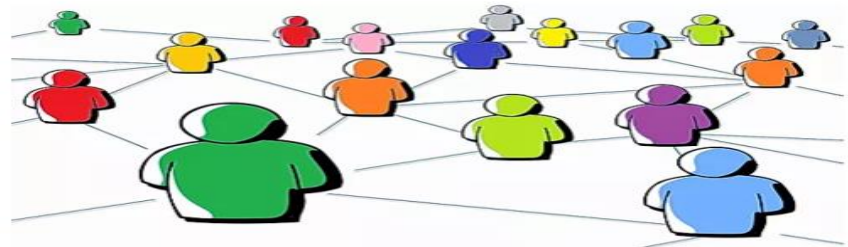

Saturday, May 30th: Lunch Table 4: Engaging students in research during the pandemic. Host: Steven Miller: sjm1@williams.edu

<https://geometrynyc.wixsite.com/polymathreu>

The applications deadline is June 10th. Applications will be accepted on a rolling basis. Applications are submitted through mathprograms.org.

Polymath REU

Collaborative mathematical
research for undergraduate
students

Due to the pandemic, many students are stuck at home without a summer research program. The aim of the *Polymath REU program* is to provide research opportunities for such students. The program consists of research projects in a variety of mathematical topics and runs in the spirit of the Polymath Project. Each project is mentored by an active researcher with experience in undergraduate mentoring.
