Employment opportunities and internships

1. Center for Behavioral and Decision Research at Carnegie Mellon University summer internship

The Center for Behavioral and Decision Research at Carnegie Mellon University offers summer internships for students interested in behavioral economics and in learning how to conduct and manage laboratory experiments in economics. For more information, see: <http://web.williams.edu/williams-only/Economics/NewsletterAnnouncements/2014013/CarnegieMellonRA.pdf>

2. Columbia Business School summer internship

The Columbia Business School seeks applicants for its summer research internship program. For more information, see: <http://web.williams.edu/williams-only/Economics/NewsletterAnnouncements/2014013/ColumbiaBusinessSchoolInternship.pdf>

3. Mathematica Policy Research seeks research assistants and programmers

Mathematica Policy Research seeks applicants for positions as research assistants and programmers. For more information, see:

<http://web.williams.edu/williams-only/Economics/NewsletterAnnouncements/2014013/Mathematica.pdf>

4. Wharton School at University of Pennsylvania seeks data analysts

The Samuel Zell and Robert Lurie Real Estate Center at the University of Pennsylvania's Wharton School seeks applicants for data analyst positions. For more information, see: <http://web.williams.edu/williams-only/Economics/NewsletterAnnouncements/2014013/WhartonResearchAssistant.pdf>

Graduate school

5. Masters programs at Duke University

Duke University offers five different masters degree programs related to various combinations of economics, computer science, and statistics. For more information, see: <http://web.williams.edu/williams-only/Economics/NewsletterAnnouncements/2014013/DukeMasters.pdf>

Opportunities to publish undergraduate research

6. *Comparative Advantage*: Stanford's undergraduate economics journal

Comparative Advantage, Stanford University's undergraduate economics journal, seeks submissions. For more information, see: <http://web.williams.edu/williams-only/Economics/NewsletterAnnouncements/2014013/StanfordUndergradEconJournal.pdf>

About the newsletter

7. How to get items into the newsletter and how to unsubscribe

Please contact [Jon Bakija](#) with any news, events, or other information that you would like to send around to Economics and Political Economy faculty and majors, as well as anyone who has manifested an interest in the field by taking a class in either department this semester, or if you would prefer not to receive the newsletter and want to unsubscribe.
